

“TO TEACH WHO CHRIST IS” CAMPAIGN UPDATE

August 14, 2016

FIRST PROJECT OF TO TEACH WHO CHRIST IS CAMPAIGN

As you may notice when you pass by the Church on Wellington Street, there is construction going on outside of our church entrance. We have already started our first project of our TTWCI campaign. All the old concrete will be removed and we will install a handicapped-accessible ramp at the Wellington entrance. We will replace the old concrete with memorial bricks as well. The whole project may take up to three weeks so we ask for your patience and I am sure it will look great when the project is finished.

Most gratefully,
Fr. Paul
