

“TO TEACH WHO CHRIST IS” CAMPAIGN UPDATE

November 22, 2015

We have raised \$530,190 – Leadership Weekend Nov 21-22 – Pledge Cards

Last weekend we have raised more than \$60,000 with the total of **\$530,190 or 65%** towards our campaign goal of **\$815,000**. 143 gifts have been received from our families. I am very grateful for your support and sacrifice to make this campaign possible. This weekend and the following weekend, we are inviting you if you haven't sign your pledge card yet, to please consider giving at this time. You can drop it in the collection basket or mail those pledge cards back to the parish. I really appreciate whatever you can give to help us reach our goal faster. We have only 35% left to reach our goal; so if you haven't consider giving to this campaign yet, I invite you please prayerfully consider giving at this time. We would like to have as many families participate as possible.

Thank you for your continued support to St. Celestine Parish.

In Gratitude,

Fr. Paul
