

“TO TEACH WHO CHRIST IS” CAMPAIGN UPDATE

November 8, 2015

We have raised \$438,000 – Leadership Weekends Nov 14-15 and Nov 21-22 – Pledge Cards

Last weekend we had a very successful reception after the 9:00 and 11:00 a.m. Masses and on Tuesday at 7:00 p.m. I would like to thank those coming to learn more about the campaign and to respond to the needs of the Archdiocese and most importantly to our parish. The Campaign Committee is working very hard and I believe with your continued support, we will reach our goal very soon.

I am very pleased to tell you that we have already received over **\$438,000** in pledges which is **over 53% of our goal**. As you already heard from our speakers after each Sunday Mass, this campaign truly benefits our Church. Everything we do in this campaign goes directly to fix the leak in the church roof, to replace broken concrete, memorial bricks, new handicapped accessible, more restrooms in church, more meeting space, and the hallway between the church and the gym.

The following two weekends of **November 14-15 and 21-22 are Leadership Weekend**. We encourage each family please bring **your pledge card** to church and drop it off in our Sunday collection basket. Thank you very much for your continued support and prayers!

May God bless you and St. Celestine Parish!

In Prayer,
Fr. Paul
